CHAMPVA Eligibility Criteria

The following persons are eligible for CHAMPVA benefits, providing they are **NOT** eligible for DoD's TRICARE benefits (formerly known as CHAMPUS) or Medicare Part A as a result of reaching age 65:

- the spouse or child of a veteran who has been rated by a VA regional office as having a permanent and total service-connected condition/disability;
- the surviving spouse or child of a veteran who died as a result of a VA-rated service-connected condition; or who, at the time of death, was rated permanently and totally disabled from a service-connected condition; and
- the surviving spouse or child of a person who died in the line of duty and not due to misconduct.

Medicare Impact. Individuals under the age of 65 who are otherwise eligible for CHAMPVA benefits and who are *also* eligible for Medicare benefits, must be enrolled in both Medicare Parts A *and* B to qualify for CHAMPVA. To establish CHAMPVA eligibility, Social Security Administration (SSA) documentation of enrollment in *both* Parts A & B is required. At age 65, all beneficiaries lose CHAMPVA eligibility by becoming eligible for Medicare Part A. Beneficiaries may, however, re-establish CHAMPVA eligibility by submitting SSA documentation certifying their non-entitlement to, or exhaustion of, Part A benefits.

Eligibility Definitions

Service-connected condition/disability- refers to a VA determination that a veteran's illness or injury was incurred or aggravated while on active duty in military service and resulted in some degree of disability.

Sponsor - refers to the veteran upon whom CHAMPVA eligibility for the applicant is based.

Spouse - refers to a wife/husband or widow(er) of an eligible CHAMPVA sponsor. In some instances, may include a remarried surviving spouse whose remarriage is either terminated by annulment or legally determined void when supported by a copy of the appropriate documentation (divorce decree/annulment certification).

Child - includes legitimate, adopted, illegitimate, and stepchildren. To be eligible, the child must be unmarried and: 1) under the age of 18; or 2) who, before reaching age 18, became permanently incapable of self-support as rated by a VA regional office; or 3) who, after reaching age 18 and continuing up to age 23, is enrolled in a full-time course of instruction at an approved educational institution---school certification required (see below).

NOTE: Except for stepchildren, the eligibility of children is not affected by divorce or remarriage of the spouse or surviving spouse.

School Certification

In order to extend CHAMPVA benefits to students age 18 to 23, school certification of full-time enrollment must be submitted by the college, vocational or high school, etc. Student status for CHAMPVA eligibility purposes is established based on school terms for up to one year. For high schools, this period is the normal beginning and ending school year. For colleges and vocational schools full-time enrollment requires a minimum of 12 credit hours per semester or equivalent number of credit hours on any academic calendar year.

School certifications must be on school letterhead and include the following.

- student's name
- student's Social Security Number
- beginning and ending dates of each semester or enrollment term
- number of semester hours or equivalent (high schools excluded)
- certification of full-time status

School generated forms are acceptable as long as they provide the above information. While certifications submitted in a foreign language are acceptable, additional time will be required for translation. Certifications may be submitted by mail to the address on front or by FAX at 1.303.331.7804.

NOTE: It is important to notify the Health Administration Center of any change in student status such as withdrawal or change from full-time to part-time status. School vacation periods, holidays, and summer breaks* are not considered an interruption in full-time attendance and will not create a break in CHAMPVA eligibility.

*providing the student attends school on a full-time basis both *before* and *after* the summer break
